Call for Abstracts
The Arthroscopy Association of North America is currently accepting abstracts for its 35th Annual Meeting for presentation during the course. We encourage you to submit abstracts relating to current and emerging techniques and technology.

Guidelines for Submitters

Technical Guidelines:
- If you have submitted to AANA for the 2015 Annual Meeting, you may log in with the same email address and password. Forgot password option is available. For new submitters, a new account must be created.
- Users must use the following browsers: Internet Explorer 8+, Mozilla Firefox 4+, Safari 5+, Chrome 14+, Opera 11.5+
- For technical assistance, please click on the 'Support Form' icon located on the top right hand of each page for support. Support requests are answered within a 24 hour period.
- Browser back and forward arrows have been disabled. Users must use the page progress bar located at the top left of each page.
- Inactivity of more than 90 minutes on system pages will result in a session time out. Please save your pages intermittently to avoid loss of data.
- **Please note**: In order to successfully receive emails regarding your abstract submission, you must add '@owpm.net' as a safe sender in your email client. Click here for help adding safe senders. Mail client examples include Microsoft Outlook, IBM Lotus Notes, Pegasus Mail, Mozilla's Thunderbird, etc.

Submission Guidelines
- During the online submission process, you will be asked to enter the presenting author, the presenting author’s contact information, and the names and email addresses of all co-authors. Please ensure the email address of the presenting author is accurate, as this will be the sole method of communication regarding acceptance.
- There is a limit of 300 words for each abstract.
- A single image or table can be uploaded for each submission (jpeg or tif files only)
- You will receive an email confirmation of each submission after finalizing your submission.
- Submitters may revisit the site as often as necessary to complete the submission.
- Abstracts are reviewed & graded in a blind fashion by AANA committee members.
- All abstracts must be provided in English.

Presentation Format
- Abstracts accepted for podium presentation must be presented in English in PowerPoint format. Oral presentations will also be published in the course program book and on the course program flash drive.
- Abstracts accepted for ePoster presentation will be distributed in PowerPoint format on the course program flash drive to all course attendees and displayed on-site at ePoster kiosks.

Timeline
